Academic & Professional Musician Mentorship

The Academic & Professional Musician Mentorship is designed to offer substantial expert guidance, advice & mentorship to musicians regarding the following.

1. Obtaining academic qualifications eg. performance & teaching diplomas & degrees up to level 7 (MA) Including but not limited to, RSL Awards Level 4 Diploma & Level 6 Licentiate.
2. Personalised & bespoke advice & mentorship regarding career choices, musicianship, gaining employment, industry advice & more.

Both of these options for academic & professional mentorship are aimed at professional musicians of all disciplines working or aiming/starting a career in live, studio, educational & all professional music settings.

This service is available in 3 different packages & individual sessions

- a) 4 Week Academic & Professional Musician Mentorship Package
Priced at £255
- b) 12 Week Academic & Professional Musician Mentorship Package
Priced at £500
- c) 26 Week Academic & Professional Musician Mentorship Package
Priced at £840
- d) Single sessions Priced at £40 per hour

All packages include the following

Weekly face to face or online mentorship meetings.

Unlimited email & limited call support throughout the package length.

Written & oral feedback, appraisal & critique on all aspects of work & development.

Personalised resources tailored to your academic and/or personal development.

Individual schedules & goal timeframes to enable continued development in a timely manner for your academic and/or professional mentorship.

When undertaking any Academic & Professional Musician Mentorship Package a contract regarding payment, schedule & conditions must be completed before work is undertaken.

A brief essay of sorts is desired before work is undertaken to help personalise & formulate an individual plan for the package chosen.

Payment can be made in instalments for packages b) & c)

More information including terms, conditions, resources & contract will be provided before any work is undertaken.
